

CONGRATULATIONS AND
WELCOME TO THE MORGAN
STATE UNIVERSITY FAMILY!

Dear “Morganite,”

CONGRATULATIONS and Welcome to the Morgan State University family!

We are looking forward to your attending Morgan State University in Fall 2021. In order to ensure that you begin your college experience prepared and informed about all of the opportunities and possibilities available to you as a Morgan State University student, we have planned for you to participate in the ACCESS Orientation Program. Morgan State University recognizes that the freshman year is a challenge for all new students. Consequently, all students who have been officially admitted to the University are required to register for the online, virtual ACCESS Orientation Program.

This year, due to the financial hardship caused by the coronavirus (COVID-19) crisis, there is only a \$100 registration fee for all ACCESS Orientation Program participants who **register online before May 15, 2021**. The orientation will be a completely online, virtual ACCESS Orientation Program; late fees may be applied after May 15th. Following the deadline for registration on May 15th, registered ACCESS students will receive an introductory email with an embedded video and a written checklist outlining the new ACCESS Orientation Program details and format.

Students will receive a series of emails from the ACCESS Orientation Program Coordinator, each providing information on a required activity and/or component of the orientation to be completed by a specific deadline, typically within one week or 3-5 business days. During the online ACCESS Orientation Program, you will take the **Freshman Placement Examination** that is required for all Morgan freshmen. Once students have completed every component of the online, virtual orientation program, they will receive an **ACCESS Orientation Program Certificate of Completion**.

Again, the Morgan State University community welcomes you and pledges to support and assist you as you pursue your Bachelor’s degree. We all look forward to celebrating your graduation in 2025! If you have any questions, **please email the ACCESS Orientation Program Coordinator, Mr. Zev Sequean Mahnke at access@morgan.edu**. Also, please read the enclosed ***Frequently Asked Questions*** for important information about the program. We look forward to hearing from you soon.

Sincerely,

Zev Sequean Mahnke

Mr. Zev Sequean Mahnke, MSW
ACCESS Orientation & Alumni Mentoring Program Coordinator
